# Library and Information Science Research 2003–2004:

## A Bibliography of Master's Papers from the University of North Carolina School of Information and Library Science

The following master's papers were submitted in partial fulfillment of the requirements for the master of science in library science degree or the master of science in information science degree at the School of Information and Library Science at the University of North Carolina at Chapel Hill. The subject headings used to index them have been given. The master's papers are available online at : http:// ils.unc.edu/mpi/ The database is searchable by author and title.

Beard, Carmen L. "An Internet Search Interface for the Ackland Art Museum Collection Database." Apr. 2004. 94 pages.
Headings: Web interface design; User interface design; Museums— Web sites.

Berman, Whitney Elizabeth. "Archival Literature: Analysis of the Evolution of *American Archivist*. Apr. 2004. 50 pages.
Headings: *American Archivist* (Periodical); Archivists—Education; Society of American Archivists—History.

Biamon, Brenda. "Self-Management Support for Indigent Patients with Chronic Disease: the Role of Information Systems." July 2003. 64 pages.
Headings: Information systems; Chronic disease—Chronic Care Model—Self-management; Chronic disease—Diabetes; Surveys—Information systems.

Bosman, Renee A. "Librarians and Left-Handedness: A Speculative Exploration." Apr. 2004. 37 pages.
Headings: Cognition; Librarianship—Psychological aspects; Laterality.

Bourne, Brandy L. "Cultures of Information Policy and Practice: The Ethnoinformatic Research Potential of America's Utopian Experiments." Apr. 2004. 57 pages.
Headings: Libraries—History; Utopian societies; Shakers; Rugby, Tennessee; Moravian Church; Icaria.

Britton, Jim. "Selling a Car in an Electronic Auction: A Case Study of eBay Motors." May 2003. 33 pages.
Headings: Internet auctions—eBay; Electronic commerce—Case study; Auctions—Electronic marketplace; Online auctions—Hit traffic analysis.

Brown, Hazel L. "Student Usage of Library Resources at One Academic Library." Apr. 2004. 70 pages.
Headings: College and university libraries—Use studies; Library design.

Burton, Andre S. "Meta Tag Usage and Credibility Factors in Alternative Medicine Websites." Apr. 2004. 29 pages.
Headings: Metadata; Meta tags; Alternative medicine; Health—Web sites.

Campbell, Catherine. "Museum Migrations: An Analysis of Information Seeking Desires Toward Active Pursuits of Knowledge." Apr. 2004. 42 pages.
Headings: Museums—Educational aspects; Museums—Evaluation; Museums—Exhibits and displays; Museums—Planning; Museum-library relations.

Carr, Nicholas George. "Impact of the Digital Millennium Copyright Act on Piracy." Apr. 2004. 33 pages.
Headings: Digital Millennium Copyright Act; Peer to peer networks; File sharing.

Chalfant, Donald M. "Born Digital? Appraise Traditional!: A Pilot Study on Intrinsic Value and Electronic Records of State Government." May 2003. 49 pages.
Headings: Appraisal of archival materials; Electronic records; Digital preservation; Archival materials—Selection for preservation.

Chang, Paul V. "The Validity of an Extended Technology Acceptance Model (TAM) for Predicting Intranet/Portal Usage." Apr. 2004. 36 pages.
Headings: Intranets; Web portals; Web sites; Human-computer interaction; Diffusion of innovations.

Chen, Li. "Design and Implementation of a Database-driven Digital Video Application System for the School of Education of University of North Carolina at Chapel Hill." Dec. 2003. 58 pages.
Headings: Information system—Design; Interface design; Web database.

Chen, Patrick. "Closing the Information Gap: PIRE, a Portable, Open Source Information Retrieval Tool." Apr. 2004. 36 pages.
Headings: End-user searching; Application software—Development; Information systems—Design; Computer software.

Choi, Junghee. "A Framework for Analyzing Electronic Communication: Bales' Interaction Process Categories and a Community of Practice." July 2003. 47 pages.
Headings: Community of practice—Social aspects; Electronic communication interaction—Research; Bales' Interaction Process Categories—Research; Relational database system; Statistical analysis—SAS.

Clancy, Colleen M. "Collection Development in School and Public Libraries: An Analysis of Health Related Titles." Apr. 2004. 49 pages.
Headings: Public libraries—Collection development; School libraries—Collection development; School libraries—North Carolina; Public libraries—North Carolina; School and public library relations—North Carolina.

Cronquist, Michelle. "Faceted Subject Access to Music: An Evaluation of the Music Thesaurus Project." Apr. 2004. 41 pages.
Headings: Library of Congress subject headings; Music literature and scores—Cataloging; Subject headings—Music; Thesauri.

Crowder, K. Denise. "*Mano a Mano* Online Information System: A Technical Report." Nov. 2003. 37 pages.
Headings: Human-computer interaction—Design; Electronic communication; Online information systems—Development.

Davis, Cheryl L. "The Balance of Powers in Government Information Policy." Apr. 2004. 68 pages.
Headings: Freedom of information; Government information—History; Government publications; Information policy.

Davis, Jennie R. "On the Rise: Influences on the Popularity of Graphic Novels Among Readers." Apr. 2004. 51 pages.
Headings: Comic books, strips, etc.—Evaluation; Graphic novels—Evaluation.

DeYoung, Margaret. "Customer Satisfaction with the NC Health Info Web Site: A Pilot Study." July 2003. 59 pages.

Headings: Evaluation—Surveys; Online searching—Evaluation; Use studies—End-user searching; Use Studies—Internet; Health—Internet resources.

Dickey, Rachel P. "The Reaction of the United States Government to the Cuban Revolution: An Annotated Bibliography of Government Documents Covering 1957–1962." Apr. 2004. 34 pages.
Headings: Government publications—Bibliography; United States—Foreign Relations—Cuba—Sources.

Ding, Xiang. "Cross-cultural Web Interface Design—A Comparative Study of Chinese and American Corporate Web Sites." Nov. 2003. 72 pages.
Headings: Web interface—Design; Web Interface—Culture; Web interface—China; Cross-cultural study—Web interface.

Duez, Karen L. "Wireless Security: What Technology Is the Most Secure?" May 2003. 34 pages.
Headings: Wireless communications systems—Security measures; Local area networks (Computer networks)—Standards; Computer networks—Security measures.

Dulmage, Cornelia P. "A Bibliography of the Monographs of Gregory Corso, with Collection Analysis of the Holdings Thereof in the Rare Book Collection of the University of North Carolina at Chapel Hill." Apr. 2004. 27 pages.
Headings: Corso, Gregory—Bibliography; Beat Generation—Bibliography.

Dunn, Helen Sarah. "Library Attitudes and Information Needs of Hispanic Parents in Siler City, Chatham County: The Potential of School Library Media Centers to Serve These Needs." May 2003. 61 pages.
Headings: Hispanics—Library service; School libraries—Hispanics; Library services—North Carolina; Surveys—Library service.

Durland, William. "Current State of Media Services in Academic Libraries: Five Case Studies." Nov. 2003. 57 pages.
Headings: College and university libraries—Audiovisual materials; Audiovisual library service; Audiovisual materials; Film libraries and collections; Media centers—Evaluation.

Eager, Claire. "The State of Preservation Metadata Practices in North Carolina Repositories." Aug. 2003. 77 pages.
Headings: Metadata; Digital preservation; Digital libraries.

Eakin, Jessica. "Services Available to Young Adults in Eastern Iowa Public Libraries: A Survey." Nov. 2003. 76 pages.
Headings: Young adults' libraries—Iowa; Public libraries—Iowa; Libraries and teenagers; Public libraries—Services to teenagers—Surveys.

Edwards, Carla V. "How Has the Role of the Reference Librarian in Academic Libraries Changed Due to the Advancements of Electronic Media?" Apr. 2004. 29 pages.
Headings: Academic libraries—Reference services; College and university libraries–Reference services; College and university libraries—Staff; Electronic reference services; Reference librarians—Education.

Emanuel, Jennifer. "An Assessment of Chat Reference Usage and Trends at the Health Science Library of the University of North Carolina at Chapel Hill." Apr. 2004. 39 pages.
Headings: College and university libraries—Reference services; Reference services—North Carolina; Academic libraries—Reference services; Electronic reference services; Reference services—Automation.

Fazel, Samira. "Digital Diffusion in North Carolina: Appraising the e-NC Initiative." Apr. 2004. 42 pages.
Headings: Information technology; Internet—Economic aspects; North Carolina—Economic conditions; Digital economy.

Fellowes, Cristianne. "Artists' Books in Libraries: Current Practices & the Issue of Standards and Guidelines." Nov. 2003. 53 pages.
Headings: Artists' books; Libraries—Special collections—Artists' books; Art libraries.

Funderburk, Amy. "Romance Collections in North Carolina Public Libraries: Are All

Genres Treated Equally?. Apr. 2004. 38 pages.
Headings: Romance novels—Selection; Books reviews and reviewing—Evaluation; Public libraries—Book collections; Fiction—Selection; collection development—Evaluation; Public libraries—North Carolina.

Giovinazzo, Patrick. "User-Centered Systems Analysis: An Examination of Case Studies and New Measurements of Success." July 2003. 45 pages.
Headings: Systems analysis—Information systems; Data modeling; Systems design.

Griffey, Jason M. "The Perils of Strong Copyright: The American Library Association and Free Culture." Apr. 2004. 81 pages.
Headings: American Library Association; Copyright; Copyright—Internet; Electronic publishing; Periodicals, Scholarly.

Gruss, Richard. "The VisOR System: Testing the Utility of User Interface Components for Feature-based Searching in Video Retrieval Software." Jan. 2004. 52 pages.
Headings: Indexing—Video recordings; Information retrieval; Information systems–Special subjects—Video recordings.

Guthrie, Emily. "Uncovering Coker: Revealing the Life of a Botanist Through a Special Collections Exhibit." July 2003. 80 pages.
Headings: Coker, William Chambers, 1872–1953—Exhibitions; Libraries—United States—Special collections—History, Local; Library exhibits; Museum techniques—Case studies.

Hanna, Nathan A. "A Case Study in System Migration to Linux in a Development and Production Environment." Apr. 2004. 35 pages.
Headings: Systems migration—Management—Case studies; Linux; Computer systems—Management.

Harris, Julianna C. "Serials Cancellations: An Analysis of Processes, Criteria, and Decision making Tools." May 2003. 62 pages.
Headings: College and university libraries—Case studies; College and university libraries—Collection development; College and university libraries–Serial publications; Serial publications—Administration; Serial publications—Case studies.

Harsanyi, Nicolae. Military Periodicals in the Andre Savine Collection: A Bibliographic Description." Apr. 2004. 38 pages.
Headings: Exiles' writings, Russian—Twentieth century; Russian periodicals—Foreign countries; Russian periodicals—France—Paris—History—Twentieth century.

Hays, Sarah M. "Building with Books and Bytes: An Examination of "One Community, One Book" Websites." Apr. 2004. 50 pages.
Headings: Book discussion groups; Cultural programs; Web sites—Evaluation.

Heritage, Jill. "For the Love of Reading: The Readers' Advisory Interview in the Elementary School Library Media Center." Apr. 2004. 110 pages.
Headings: Reader guidance; School libraries—Reader guidance; Elementary school libraries—North Carolina; Children's reading.

Hill, Terry B. "Using Traditional Methodologies and Electronic Usage Statistics as Indicators to Assess Campus-wide Journal Needs: Contexts, Trade-offs, and Processes." Apr. 2004. 51 pages.
Headings: Collection development—Evaluation; Use studies—Electronic journals; Use studies—Research libraries.

Ho, Wing-Kee. "Comparison of Two Segmentations Methods for Library Recommender Systems." Dec. 2003. 55 pages.
Headings: Collaborative filtering; Recommender systems.

Hull, Christina M. "An Analysis of Information Literacy Instruction in the Virtual Reference Service of a Public Library System." Apr. 2004. 61 pages.
Headings: Information literacy; Instant messaging software; Reference services—Automation; Public libraries—North Carolina; Public libraries—Reference services; Use studies—Reference services.

Jenks-Brown, Angelique R. "Usability Study of an Online Tutorial for Volunteers at a Hospital Resource Library." Apr. 2004. 49 pages.
Headings: Volunteers; Hospital libraries—Administration; Web sites—Evaluation; Web sites—Design; University of North Carolina at Chapel Hill. Health Sciences Library; Personnel—Administration.

Jeremiah, Karen. "Post *Information Power*: A Content Analysis of Professional Literature for School Administrators." Nov. 2003. 29 pages.
Headings: Media programs (Education)—Standards; Reading promotion; School principals; School librarians; School libraries–Aims and objectives.

Jiang, Shan. "Maintenance of Chinese Internet Resources' Cataloging Records." Apr. 2004. 54 pages.
Headings: Computer network resources—Cataloging; Library catalogs—Management.

Jones, Rebecca Soltys. "Serial Title Changes: A Comparison of Scientific, Social Science and Humanities Publications." July 2003. 29 pages.
Headings: Periodicals, Humanities; Periodicals, Social sciences; Periodicals, Scientific and technical; Serial publications—Cataloging; Titles of books, periodicals, etc.

Jung, Young-Sook. "Web-based Multimedia and Learning Enhancement: An Approach of Cognitive Load Theory." May 2003. 26 pages.
Headings: Web-based multimedia; Cognitive load theory; Learning; Instructional design.

Kamparosyan, Telemak. "The Importance and Impact of Cisco Technical Certifications on the Networking Profession." Nov. 2003. 25 pages.
Headings: Technical certifications—Networking academies; Certification—Motivations for certification; Future of networking—Certification value.

Kemp, Rebecca L. "Selectors' Choices: Statistics for Evaluating E-Resources." Apr. 2004. 74 pages.
Headings: Use studies—Electronic journals; Use studies—Full-text databases; Citation analysis; University of North Carolina at Chapel Hill—Libraries.

Kimbrough, Julie L. "21st Century Preservation Challenges for Law Libraries." Apr. 2004. 40 pages.
Headings: Copyright; Law librarians; Law collections; Digital preservation; Electronic records—Conservation and restoration; Archival materials—Digitization.

Knight, Kenneth D., Jr. "The Application of XML as a Means of Exchanging Discharge Summaries Between Hospital Information Systems." Apr. 2004. 67 pages.
Headings: Information systems—Interoperability; Information systems—Health care; Programming languages—XML; Database systems—Oracle 9i; Database systems—Microsoft Access 2002.

Knodel, Laura A. "The Evolution of Archival Description at the Southern Historical Collection." Apr. 2004. 131 pages.
Headings: Archival description; Archives—History; Archives—Cataloging; Archives, Historical—North Carolina; Special collections—Case studies.

Krol, Ewa. "The Title Page of the Russian Monographs as the Source of Information for Bibliographic Description: An Analysis of Its Visual Characteristics, and the Comprehensiveness and Consistency of Its Bibliographic Information." July 2003. 119 pages.
Headings: Title pages; Descriptive cataloging; Content analysis.

Lafferty, Meghan. "A Comparison of Subscribed and Non-subscribed Titles in the Springer Link Electronic Journal Package." Apr. 2004. 74 pages.
Headings: Electronic journals; Use studies—College and university libraries; Use studies—Serial publications.

Lai, Smyth. "Library Services and Programming for Older Adults: A Survey of Public Libraries in Durham, Orange, and Wake Counties, North Carolina." June 2003. 44 pages.
Headings: Libraries and the aged—North Carolina; Public libraries—North Carolina–Durham County; Public libraries—North Carolina—Orange County; Public Libraries—North Carolina—Wake County.

Lancaster, Kristin M. "Videoconferencing Perceptions: A Survey of University of North Carolina Faculty and Staff." Apr. 2004. 31 pages.
Headings: Videoconferencing—Equipment and supplies; Business communication—Technological innovations; Digital communications; Multimedia systems.

Leach, Ronald L. "A Collection Analysis of the Ticknor and Fields Collection of the Rare Book Collection at the University of North Carolina at Chapel Hill." Apr. 2004. 45 pages.
Headings: Ticknor & Fields; Collection development—College and university libraries—Rare books; Publishers and publishing—History.

Lee, Shuang-lin. "Data Quality in Organizational Context—A Case Study." May 2003. 57 pages.
Headings: Data quality; Library acquisitions; Innovative Interfaces, Inc.; Database management systems; Data processing.

Lewis, Kali C. "TRANS-CONTIG: Transcription Factors and Their Corresponding Contigs, a Web Database." Apr. 2004. 28 pages.
Headings: Databases, Biological; Web databases; Database technologies.

Li, An. "Scheduling Information System: The Design and Development of an Online Database for Tracking Scheduling Information." Apr. 2004. 34 pages.
Headings: Database-management systems; Information systems; Web databases; Scheduling systems.

Losi, Patricia. "Design of a Database Driven System to Compile and Define Local Bioinformatics Resources at the University of North Carolina at Chapel Hill." Apr. 2004. 43 pages.
Headings: Information systems—Design; Databases; Interface design.

Lucas, Jennisen. "AR: Accelerated Reader and Accurate Reflection: A Collection Assessment of the Accelerated Reader Collection at an Elementary School in North Central North Carolina. July 2003. 56 pages.
Headings: School libraries—Collection development; Reading incentive programs; Content analysis; Accelerated Reader program.

Mascaro, Michelle J. "The Value of Flexibility in Metadata Schemas." Apr. 2004. 49 pages.
Headings: Metadata; Cataloging; MARC system; Dublin Core; Anglo-American Cataloguing Rules.

Mize, Robin M. "Finding a Common Method of Presenting Electronic Journals on Academic Law Library Web Sites: Or, I'd Rather Be Herding Cats." Apr. 2004. 42 pages.
Headings: Libraries—United States—Special collections—Electronic journals; Library Web sites—Design.

Naik, Hetna. "Faculty Attitudes Towards Features/Tools Supported by Course Management Software." Nov. 2003. 38 pages.
Headings: Educational technology; Courseware; Distance education; Computer-assisted instruction; Faculty attitudes.

Osborne, Caroline Louise. "Identification of Trends in the Teaching of Legal Research." Nov. 2003. 41 pages.
Headings: Bibliographic instruction—Law students; Legal research—Study and teaching.

Overton, Kelly M. "The Experiences of Adult Readers of Young Adult Fiction." Aug. 2003. 69 pages.
Headings: Reader's advisory—Adults; Readers—Adults; Literature—Young adults; Genre fiction—Studies.

Ovitt, James. "Should GPO Pay for Positioning on Google?: Undergraduates' Success in Locating U.S. Government Information on the Web." Nov. 2003. 49 pages.
Headings: Government information—Databases; Government information—Internet resources; Use studies—Internet searching.

Peary, Chris. "Creating a Business Plan for E.V.O. (Electronically Vicarious Organism)." Nov. 2003. 48 pages.

Headings: Computer software—Education; Management information systems—Life management skills; Information Services—Finance; Business plans; Administration–Scheduling software.

Pellegrino, Catherine A. "Reference Interview Strategies in Virtual ("Chat") Reference: Effect of Open Questions." May 2004. 58 pages.
Headings: College and university libraries—Reference services; Reference services–Evaluation; Reference services—Automation; Internet—College and university libraries.

Perkins, Brandon Dean. "Multiple Format Dynamic Document Generation of Project Gutenberg Texts." Apr. 2003. 28 pages.
Headings: XML (eXtensible Markup Language); DTD (Document Type Definition); XSL (Extensible Stylesheet Language); XSLT (XSL Tranformations); XSL-FO (XSL Formatting Objects); Digital libraries.

Petersen, Robert C. "Understanding an Organization and Developing the Web Site." Apr. 2004. 35 pages.
Headings: User interface design; Reference interview; Government information—Internet resources; Use studies—Internet.

Phillips, Andrew L. "The Role of Conflict and Conflict Management/Resolution in Face to Face and Remote Collaboration: A Content Analysis of a Controlled Experiment." Apr. 2004. 79 pages.
Headings: Collaboration; Conflict resolution.

Polinski, Patrick. "Automated Monitoring of Online News Streams: Topic Detection and Tracking Considerations." Nov. 2003. 44 pages.
Headings: Information retrieval; Information retrieval—Filtering; Information retrieval—Extraction; Really Simple Syndicate; Linguistics.

Prince, Monique. "Changes in the Information Use Patterns of College Freshmen." Nov. 2003. 47 pages.
Headings: Use studies—College and university students; Information seeking behavior—College and university students; Information-seeking behavior—Undergraduate students; Undergraduate students—College and academic libraries; Kuhlthau, Carol Collier, 1937- .

Reuning, Sarah. "Giving Navigation a Hand: Laterality and Menu Placement." Apr. 2004. 44 pages.
Headings: User interface design—Usability; Human-computer interaction.

Richards, Christy Edina. "An Assessment of the Mary Shore Cameron Sherlock Homes Collection at the University of North Carolina at Chapel Hill." Nov. 2003. 235 pages.
Headings: Holmes, Sherlock (Fictitious character)—Bibliography; Doyle Arthur Conana, Sir, 1859–1930—Bibliography; University of North Carolina at Chapel Hill. Library. Rare Book Collection—Catalogs.

Ripp, Joseph. "Middle America Meets Middle-earth: American Publication and Discussion of J.R.R. Tolkien's *Lord of the Rings*, 1954–1969. Nov. 2003. 73 pages.
Headings: Tolkien, J.R.R., 1892–1973; Publishers and publishing—Fantasy; Fantasy—Evaluation; Copyright—Unauthorized reprints; Publishers and publishing–Legal aspects.

Rowe, Gundry E. "The Role of Newbery Award Winning Books in Elementary School Media Centers." Apr. 2004. 48 pages.
Headings: Children's literature—Awards; Children's literature, American—Awards; Literary prizes; Newbery Medal.

Rumble, Juliet Taylor. "Collection Development in American Undergraduate Libraries: Policies and Practices." July 2003. 81 pages.
Headings: College and university libraries; Undergraduate libraries; Collection development.

Sklar, Annelise Ynez. "Tribal College Library Web Sites: Provision of Health Information Sources." Nov. 2003. 47 pages.

Headings: College and university libraries—Services to North American Indians; Junior and community college libraries—Services to North American Indians; Web sites—Evaluation; Internet—College and university libraries; Medicine—Internet resources; Health—Internet resources.

Smithwick, David J., Jr. "The Design and Implementation of a Web-Accessible Database to Integrate with the Existing Information System of Rainbow Soccer, Ltd." Apr. 2004. 57 pages.
Headings: Computers—Information systems; Information Systems—Web sites—Design; Information systems—Administration; Database-management systems—Microsoft Access.

Snow, Sarah. "Center of Knowledge versus Center of Information: A Comparative Study of the UK Academic Library with the US Academic Public Library." Apr. 2004. 50 pages.
Headings: Access services; Bodleian Library; College and university libraries—Case studies; Surveys—Access to libraries; University of North Carolina at Chapel Hill—Libraries.

Speck, Robert C. "The Effect of Peer-to-Peer File Sharing on Independent Record Labels." Apr. 2004. 50 pages.
Headings: World Wide Web; Internet; File sharing—Music; Recording Industry Association of America (RIAA).

Stover, Jill S. "You Have a Tutorial, Now What?: An Analysis of Factors Contributing to an Expanded Use of Online Research Tutorials by Academic Librarians." Apr. 2004. 49 pages.
Headings: Computer-assisted instruction—User training; Computer-assisted information—College and university libraries.

Stronski, Lisa M. "Thinking Outside the Library: Employment Trends of Special Libraries Association Members." Apr. 2004. 59 pages.
Headings: Librarians—Careers; Special librarians—Careers; Special libraries; Special Libraries Association.

Sundaram, Anita. "Bridging the Digital Divide: A Case Study of the Situation in India." Nov. 2003. 68 pages.
Headings: Digital divide; Technology development—India; Poverty—India; Globalization and technology—India.

Tang, Yin. "Making Sense of the Browser Jungle." Apr. 2003. 65 pages.
Headings: World Wide Web browsers; Web-browser evaluation; Web-browser usability; Web-browser comparison.

Teague Rector, Susan E. "Accessing Information Based on a Combination of Document Structure and Content: Exploiting XML Tags in Indexing and Searching to Enhance Content Retrieval of Online Document-centric XML Encoded Texts." Apr. 2004. 64 pages.
Headings: Information retrieval; XML search & retrieval; Semistructured data indexing; Full-text searching.

Thomes, Cynthia L. "The Effect of Online Reference Sources on the Collection and Use of Print Reference Sources." Apr. 2004. 57 pages.
Headings: Internet content—Evaluation; Public libraries—Collection development; Public libraries—Reference services; Reference books—Evaluation; Reference services—Automation; Reference services—North Carolina.

Turi, Matthew T. "Working on the South: A Statistical Description of Scholarly Use and Non-Use of the University of North Carolina at Chapel Hill's Manuscripts Department's Collections." Apr. 2004. 51 pages.
Headings: Archives—United States—Use studies; University of North Carolina at Chapel Hill. Library. Southern Historical Collection.

von Isenburg, Megan. "Information Literacy Beyond the Library: A Study of the Attitudes and Practices of History Faculty at UNC." Apr. 2004. 51 pages.

Headings: College and university libraries—Bibliographic instruction; College and university libraries—Relations with faculty and curriculum; Bibliographic instruction—History students.

Waller, Karen Brown. "Effects of School-based Management on Budgetary Allocations to Elementary School Library Media Centers in the Wake County Public School System, North Carolina. July 2003. 62 pages.
Headings: School libraries—Budget; School libraries—Expenditures; School libraries—North Carolina; School-based management; Site-based management.

Wang, Nan. "Selection of Materials for Digitization in Digital Museums." Aug. 2003. 41 pages.
Headings: Museums; Digital museums; Digital museum preservation; Material digitization.

Waterman, Tracy. "Sex and Gender in the Library of Congress Subject Headings, 1988–2003." Apr. 2004. 73 pages.
Headings: Sexism in language; Subject cataloging; Subject headings—Women; Subject headings, Library of Congress—Evaluation.

Watt, Justin C. "Design and Implementation of a Web-based Financial Information System." Apr. 2004. 67 pages.
Headings: Information storage and retrieval systems—Design; Web databases; Microcomputer programs; Database management systems; User interface—Design.

White, Mary W. "Spanish Health Information on the Internet: An Exploratory Study." Apr. 2004. 56 pages.
Headings: Consumer education; Information services—Special subjects—Spanish Americans; Web sites—Design; Web sites—Evaluation.

Wilkens, Christy Adessa. "Inside the Black Box: Fitting Data Inputs to Communicative Outputs in Human Rights Information Management." Nov. 2003. 54 pages.
Headings: Information services—Special subjects—Human rights; Information systems—Standards; Information science—Philosophical aspects; Content analysis.

Wilson, Amanda J. "Digital Preservation and Academic Library Consortia: A Case Study of the Triangle Research Libraries Network Consortial Licenses." Apr. 2004. 65 pages.
Headings: Cooperation—College and university libraries; Cooperation—Research libraries; Electronic data archives—Conservation and restoration; Electronic journal archives—Conservation and restoration; Triangle Research Libraries Network (TRLN).

Wright, Laura Bell. "The Appeal of Vampire Romance: Why Do Readers Like These Stories?" Apr. 2003. 40 pages.
Headings: Genre fiction—Reviews; Vampires—Fiction; Romance novels.

Yang, Jian. "Extending Eprints Archives to Improve Access to Scholarly Materials." May 2003. 33 pages.
Headings: Scholarly publishing; Open Archive Initiative; EPrints; Dublin Core.

Zhao, Li. "The Web as a Tool in Foreign Language Teaching and Learning." May 2003. 48 pages.
Headings: Foreign language teaching and learning—Surveys— Internet.
