We're celebrating our 20th anniversary with savings for you

SIRS CD-ROM Workstation brings the speed and power of CD-ROM research to your library. To celebrate our 20th anniversary, we're offering the complete workstation and SIRS Combined Text & Index CD-ROM for **\$3,000**.

SIRS CD-ROM Workstation includes:

- 386SX (33 MHz) computer with two megabytes RAM and 130-megabyte hard drive
- High resolution SVGA color monitor (.31 dot pitch)
- Internal CD-ROM drive
- Low noise dot-matrix printer
- DOS 5.0 and Microsoft Extensions software
- One-year warranty with swap-out service
- SIRS Combined Text & Index CD-ROM

Customization Options

The SIRS CD-ROM Workstation may be customized to meet your specific needs. You may alter the standard configuration by upgrading or swapping components and paying the cost difference.

For an additional charge you can substitute a HP Desk Jet Printer or a laser printer for the standard dot-matrix pinter; you may substitute a 486SX (33MHz) computer for the 386SX, or add a Multi Media Package Upgrade (includes soundboard, speakers, mouse and two extra megabytes RAM).

To discuss your customization options, please call our Customer Service staff, at **1-800-232-SIRS**.

Only \$3,000!
