Cover: "Self Portrait with Boat" by J. W. Blair, done while a senior at J. H. Rose High School in Greenville, N.C., as a student of Billy Stenson, computer graphics instructor. The illustration was executed on an Omega 500, transferred to video tape, and digitized into a Macintosh. Apologies to the artist for the necessity of color modification due to color requirements and limitations of this magazine.

Special thanks to Rose Simon for the wonderful photos used in this issue.
