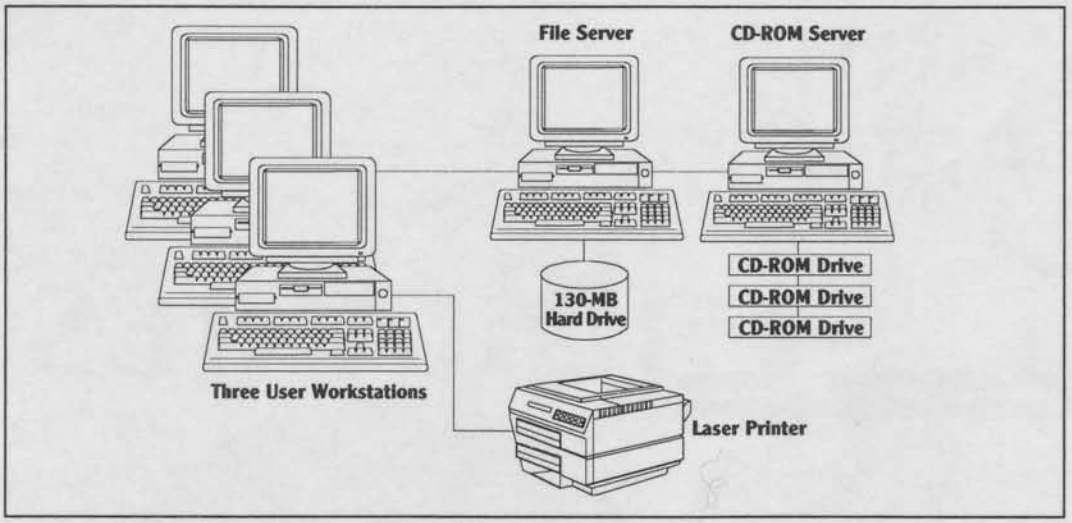
SIRS CD-ROM LAN III



You've Read About It...
You've Heard About It...
Now See It!

The **SIRS CD-ROM LAN III** is a multi-user network offering instantaneous data-retrieval speed and featuring three CD-ROM drives, laser printer, 130-MB hard drive, and three 386SX (40 MHz) workstations with SVGA color monitors and enhanced keyboards. All of this plus DOS 5.0, Novell Netware 3.11 and CBIS CD-Connection software, for just **$12,250**.

The SIRS CD-ROM LAN III is also available loaded with **SIRS Combined Text & Index CD-ROM**, **SIRS Index-Only CD-ROM** or **SIRS Selected U.S. Government Documents CD-ROM** program. SIRS Combined Text & Index CD-ROM features full-text articles; this hardware/software package is priced at $13,700. SIRS Index-Only CD-ROM is an electronic index to be used in conjunction with SIRS Print Information Systems; this hardware/software package is $12,440. SIRS Selected U.S. Government Documents CD-ROM provides easy access to full-text government documents; this hardware/software package is $13,200.
