You shouldn't have to do battle  
with a giant database full of

articles that are of little  
use to you. At SIRS,

it's the quality, not  
the quantity, that counts. All the  
articles in **SIRS Researcher®**,  
**SIRS Discoverer®**, **SIRS**  
**Government Reporter®** and  
**SIRS Renaissance®** pass a  
rigorous selection process that  
*eliminates* redundancy. Our  
experienced research team of  
educators and library profession-  
als selects only relevant, useful,  
compelling articles – those that  
comprehensively describe all  
aspects of an issue.

We work hard to bring you the  
best collection of full-text articles,  
so that your patrons don't have  
to fight to find them. That makes  
SIRS a leading provider of quality  
information services.
