

Imagine the Possibilities

How will you spend the time our
Collection Development Services
will save you?

At Baker & Taylor, we have over 170 years of experience helping librarians fill their shelves with our on-target Collection Development Services.

- **The Title Source™ II**

The industry's most powerful collection development tool, with detailed information on over 3 million titles, print & non-print.

- **First Look and First Look Review**

The easiest way to update your collection on a monthly basis with new & forthcoming titles, automatically.

- **Automatic Shipment Programs**

Automatically Yours - individual programs for adult, spoken-word audio, children & Oprah's Book Club titles.

Parade - specialized plans for books, spoken-word audio, music & DVD titles.

- **Book Leasing Programs**

Popular Titles and our new Computer Books Program.

- **Customized Selection Lists**

For your one-time or ongoing collection requirements.
