Guidelines for Using the Index to North Carolina Libraries

1. Articles are indexed by title, subject, and first-named author, with cross-references from co-authors.
2. Reviews are indexed by the title and first-named author, with cross-references from reviewers and co-authors.
3. All library organizations are entered under their full names. Material on the substructures of these organizations, such as committees, sections, etc., is listed alphabetically under the organization name, such as **North Carolina Library Association. Round Table on**
4. Reports of programs of the Biennial Conference are entered under the title of the program, the heading **North Carolina Library Association. Biennial Conference, 2001**, and the name of the sponsoring group or groups. They are not listed by subject, individual speaker, or reporter.
