

NCLA Section Activities

College and University Section

From Cullowhee, Asheville, and points west to Wilmington and points east some 125 North Carolina librarians came to Durham on March 6-7 for the Academic Library Collections Development Tutorial sponsored by the College and University Section of NCLA. Dr. Ralph Russell, East Carolina University, was chairman with Dr. Leland Park, Davidson College, as his co-chairman. Jayne Krentz, Duke University, was chairman of local arrangements.

Speakers for the sessions were: David Estes, Assistant University Librarian, Emory University, talking on "Development of Special Collections"; Dr. Ellis Tucker, Chairman, Department of Library Science, University of Mississippi, and Eugene Huguelet, Associate Librarian, East Carolina University, on "Approval/Gathering Plans for Collection Development"; Dr. H. Joanne Harrar, Associate University Librarian, University of Georgia, on "Staffing for Collection Development"; Mrs. Lucille Edwards, Materials Reference Consultant, College of DuPage on "Collection Development in the Community College." Dr. James Govan, University Librarian, University of North Carolina, Chapel Hill, on "Long Range Planning for Collection Development: The Swarthmore Experience." The banquet speaker was Dr. Robert B. Downs, Dean-Emeritus of Library Administration, University of Illinois and Visiting Professor, School of Library Science, University of North Carolina.

The excellent sessions and stimulating discussions met with favorable response from the participants. There was general agreement with the enthusiastic non-junior member who said, "This tutorial was like a spring tonic for my professional middle-agedness."

As this issue of *NORTH CAROLINA LIBRARIES* goes to press, the chairman of the section is in the process of appointing a nominating committee to present a slate at the Winston-Salem meeting in the fall. Officers to be elected include a vice-chairman and chairman-elect, a secretary, and two directors. Any suggestions sent to Mary Canada, Chairman, College and University Section, N.C.L.A., Reference Department, Perkins Library, Duke University, Durham, will be forwarded to the committee.

Junior College Libraries Section

The friends and associates of Mary Ann Kincaid, a librarian at Wingate College, are saddened by her death caused by an automobile accident several weeks ago. Mary Ann was a member of JCLS's Conference Committee. She will be missed by all who knew her.

The Section is tentatively planning a program on "Computers as Library Tools" for its regularly scheduled meeting at the NCLA Conference. It is hoped that a panel of people involved in making use of computers in library operations in junior colleges in this state can be secured.
