Keeping your periodicals on microfilm used to be considered extravagant.

Today it's extravagant not to consider it.

A subscription to microform editions of current periodicals can save space, time and money. Today you can buy periodicals on 35mm or 16mm microfilm or microfiche, for about the cost of binding paper copies—and that's just the beginning.

You'll store 20 volumes of periodicals in the space one hard-bound volume takes.

You'll stop worrying about torn and missing pages.

You'll find you're able to improve your collection from our extensive collection of backfiles dating to 1669, and fill special requests quickly and economically.

And initial equipment acquisition is easier than ever before with our line of cost-saving microform readers and space-saving storage units.

Consider periodicals in microform for your library—whatever its size. Write for our 1972 catalog today.

SERIALS IN MICROFORM / 1972

Our new comprehensive catalog listing nearly 7000 periodicals, documents and other serials is now available. Indexed by subject and title.
