Map Attribution

Prepared by: N. C. L. A. Membership Committee Chairman: Janie F. Allsbrook

Date: November 1 945

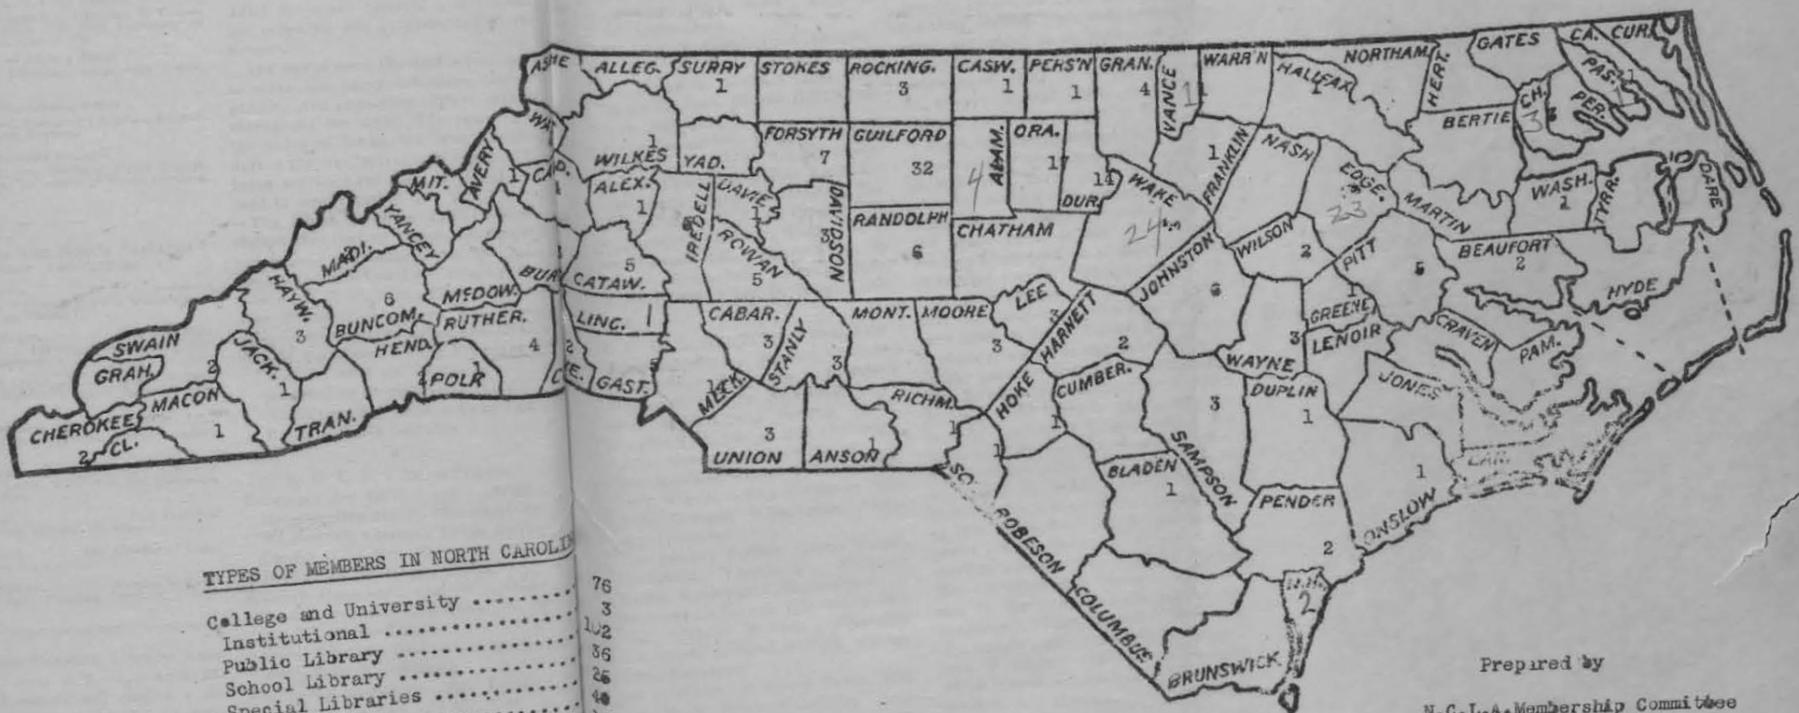

Accessibility Note

For screen reader user: This map provides a geographic visualization of library association membership across North Carolina's 100 counties in 1945. The data shows concentrations of membership and the distribution of different types of library professionals across the state. The total membership included representatives from public, school, college, and special libraries, as well as trustees and out-of-state members.

File Format Recommendation

This map could be saved as a separate accessible document with a data table listing all 100 counties and their membership numbers for full accessibility.
