DIRECTORY

Editors are collecting information for the May 1952 DIRECTORY OF MEMBERS of NCLA. May 1950 DIRECTORY listed 669 names of library personnel, of which only 248 were also listed in the May 1946 DIRECTORY, (plus 48 listed with married names or changes in position) which would indicate 421 changes in personnel in 4 years. 1946 DIRECTORY listed 699 names. 406 of the 1950 names were listed as members of the NCLA. The revised list of NCLA members adds 63 names of librarians to the May 1950 list, and subtracts 64 names. Most of the new names are replacements of those members lost. Editors plan to list only members of NCLA for the next DIRECTORY, since most changes have been of trustees, clerks, teacher librarians, etc. Lists of all working personnel can be obtained from the North Carolina Library Commission and the State School Library Adviser.
