

November Is Know Your Library Month

The "Know and Grow" program of the General Federation of Women's Clubs, which has interested club women in public library improvement during the last two years, is being carried forward with Know-Your-Library Month in November, as the Kick-off event.

Mrs. Robert F. Herrig, Librarian, Lincoln County Free Library, Libby, Montana, has been re-appointed Chairman of the GFWC Libraries Division for another two years. The American Library Association is cooperating in the November observance and in the general "Know and Grow" program.

During the month, GFWC members—numbering 5½ million—are urged to

visit their public libraries to get to know them better and find ways to help them grow.

The annual Book Week event, November 25 to December 1 is being suggested as an excellent climax for the activities of Know-Your-Library Month.

Heads of State Library Extension Agencies and Presidents of State Library Associations are being furnished by ALA with Suggestion Sheets for the observance. Additional copies are available at ALA Headquarters.
